How to Draw a Ladybug

Name: _____

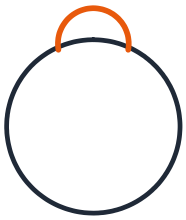

Follow the steps. The new part is orange. Then draw your own ladybug in the big box.

1

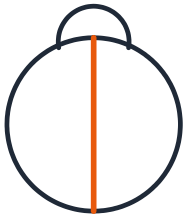

A big circle for the body

2

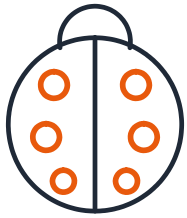

A half circle head

3

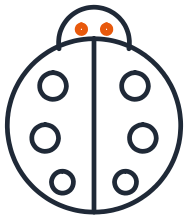

A line down the middle

4

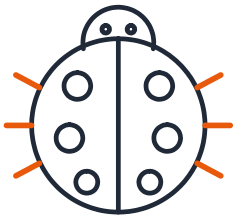

Three spots on each side

5

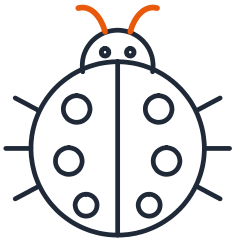

Two eyes

6

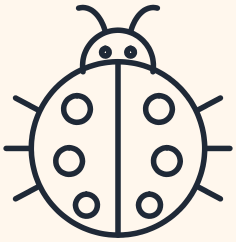

Six little legs

7

Two feelers

★

Colour it in!

Now draw your own ladybug:

Write 3 sentences about your ladybug. How many spots does it have? Where does it live?
